

Eco-Star Award 2007

What is an Eco-Star?

An Eco-Star is somebody in your school who works hard to save energy or to protect the environment.

Carbon Busters would like to recognize the people in your school who contribute to the success of our energy-saving program.

Nominate a student, teacher or custodian for the Eco-Star Award!

Prizes

Carbon Busters will make a donation to the *Nature Conservancy* to protect 1 acre of rainforest for each Eco-Star category. The winners will receive a certificate in his/her name with a photo of the site as well as a one year subscription to the *Nature Conservancy* magazine.

All nominees will receive an Carbon Busters Eco-Star Certificate.

Nominating is as easy as 1-2-3:

- 1 Fill out the attached nomination form.
- 2 Describe the nominee's activities to save energy or help the environment. What do you admire in this person?
The more information you send us, the easier it is to choose a winner.
- 3 Send us the form by fax, e-mail or mail.

Copies of the nomination form are available at your school office or download one from our website: www.carbonbusters.org/contest.

Carbon Busters Program

Who is eligible?

There are three categories:

- ★ student
- ★ teacher
- ★ custodian

Anyone can nominate that special person.

What happens next?

Your Carbon Busters team will review all submissions and will consider:

- the nominee's special efforts or activities to save energy or to protect the environment.

Submission deadline: February 28, 2007

Recipients of the Eco-Star Award will be recognized during a ceremony in May 2007.

Send your nominations by fax, e-mail or mail to:
